#### STUDENTS AND GOVERNMENT DAY - MAY 2, 2016

The City of Torrance announces this year's **Students and Government Day**, a program now in its 10th year that is geared toward 8th graders who attend public and private schools in the City of Torrance.

**Students and Government Day** is a great opportunity for students to gain an understanding of local government. Students who participate will become more informed and involved citizens and future voters. It also exposes students to a possible career choice in public service.

To participate, 8th grade students must neatly write or type a 100 to 150-word essay on the topic: In November 2016, the voters will be electing our 45th President. If you could run for President, what issues would be most important to you and why?

Essays must be submitted to the respective social studies teacher by Tuesday, February 2, 2016. Forms are available at www.TorranceCA. Gov/Students.htm.

Winning students must be available to participate on Tuesday, May 3, 2016 for Students and Government Day activities from 1:00 to 8:00pm at Torrance City Hall.

Among those who submit essays, 21 students will be invited to participate in a variety of activities, including job shadowing elected officials or City management staff for the afternoon. In the evening, the students will open an actual City Council meeting.

While the program is designed for 8th grade students, the City encourages all students to continue learning about local government and how they can help serve our community. For more information on **Students and Government Day**, please visit www.TorranceCA.Gov/Students.htm, or contact the City Manager's office at (310) 618-5880.
